Numerical listing of available colors

Please note that DMC refers to its colors by number only. Any color names given to our colors are done so by the individual designer of a publication or chart. The color names on this list have been assigned to DMC's Embroidery Floss colors by consensus. This list may aid you in choosing the correct DMC colors. However, the names assigned to these colors on your chart may differ from this listing so it would be best for you to make the final decision.
